Lab Title: Android Programming: Activities & Fragments

Lab Sheet No: 1

Submitted by:

Name: Surakshya Lama

Roll no:15

Registration no:6-2-453-15-2021

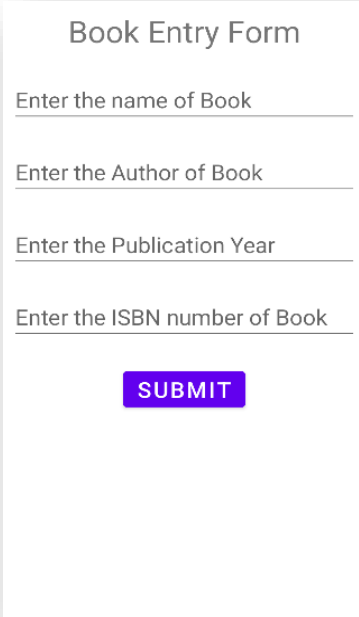

Submitted to:

Mr. Deepak Thakur

Submission date: 2nd April, 2025

Task 1.1:

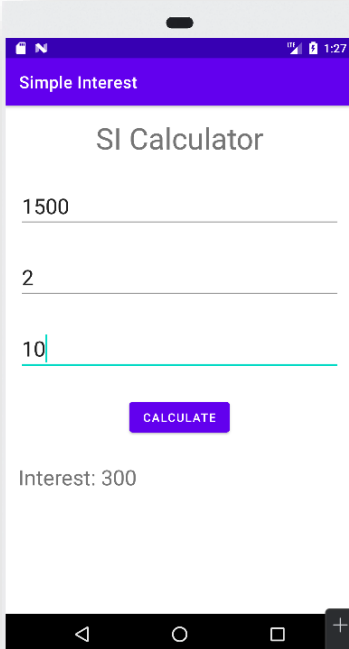

Design Book Entry interface.

The image shows a mobile application interface for a 'Book Entry Form'. It features a white card with a light gray shadow. At the top, the title 'Book Entry Form' is centered in a dark gray font. Below the title, there are four text input fields, each with a light gray placeholder text: 'Enter the name of Book', 'Enter the Author of Book', 'Enter the Publication Year', and 'Enter the ISBN number of Book'. At the bottom of the form, there is a purple rectangular button with the word 'SUBMIT' in white, uppercase letters.

Task 1.2:

Calculate Simple Interest and Display the Result in Same Activity.

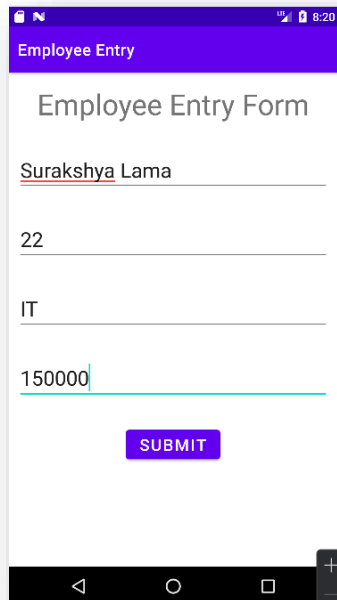

The image shows a mobile application interface for an 'SI Calculator'. The app has a purple header bar with the text 'Simple Interest' in white. Below the header, the title 'SI Calculator' is centered in a dark gray font. There are three text input fields: the first contains '1500', the second contains '2', and the third contains '10'. Below these fields is a purple rectangular button with the word 'CALCULATE' in white, uppercase letters. At the bottom of the screen, the text 'Interest: 300' is displayed in a dark gray font. The bottom of the screen shows a black navigation bar with white icons for back, home, and recent apps, and a small '+' icon on the right.

Task 1.3:

Design Employee Entry Form insert the data and show to another activity.

Entry Screen:

Name : Surakshya Lama

Age : 22

Department : IT

Salary : 150000

Task 1.4:

Implement Three Fragment in one Activity.

Three Fragment

Three Fragments

This is the first fragment

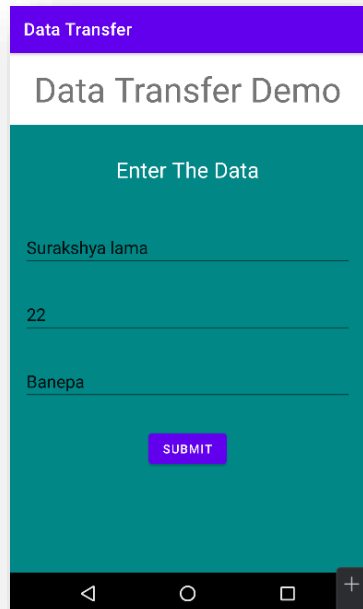

This is the first fragment

This is the third fragment

Task 1.5:

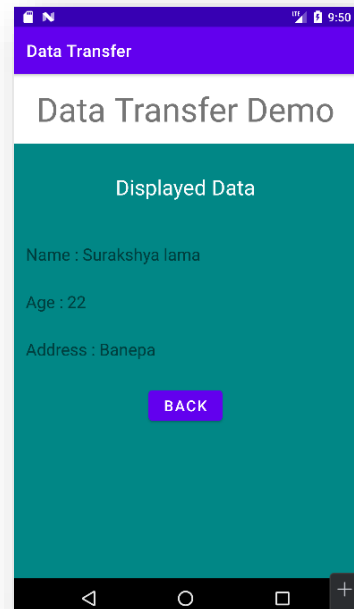

Transfer data from one fragment to another Fragment.

Entry Screen:

The screenshot shows the 'Entry Screen' of an Android application titled 'Data Transfer Demo'. The screen has a teal background. At the top, there is a purple header bar with the text 'Data Transfer'. Below the header, the title 'Data Transfer Demo' is displayed in a white box. The main content area is titled 'Enter The Data'. It contains three text input fields: the first contains 'Surakshya lama', the second contains '22', and the third contains 'Banepa'. Below the input fields is a purple button labeled 'SUBMIT'. The bottom of the screen shows the standard Android navigation bar with back, home, and recent apps icons, and a '+' icon on the right.

Display Screen:

The screenshot shows the 'Display Screen' of the same Android application. The screen has a teal background. At the top, there is a purple header bar with the text 'Data Transfer'. Below the header, the title 'Data Transfer Demo' is displayed in a white box. The main content area is titled 'Displayed Data'. It contains three lines of text: 'Name : Surakshya lama', 'Age : 22', and 'Address : Banepa'. Below the text is a purple button labeled 'BACK'. The bottom of the screen shows the standard Android navigation bar with back, home, and recent apps icons, and a '+' icon on the right.
